## EXPERIENCE

**Online Personal Trainer, Self-Employed; Boise, ID | FEB. 2021- CURRENT**

I am apart of a team of two that designed an online program to help assist people on their Health and Fitness journey. We do all our own marketing and sales bring clients in to our program on an ongoing bases. Every client has weekly calls, modules dripped out over the 12 weeks, along with personalized fitness plans and occasional homework. As well as 24/7 communication with us.

**Outfitter, Fleet Feet; Boise, ID | OCT. 2021- FEB. 2022**

Fleet Feet is there to help inspire the athlete in everyone. Daily I would help others who are seeking comfort in their daily lives through the shoes on their feet. I was trained to take the customer through a series of different fittings to find the correct shoes that fit best for them.

**Fleet Manager, TRK Properties; Boise, ID | OCT. 2020- MAR. 2021**

This was a short lived position, that I ended up getting laid off from due to the lack of car shows during Covid. My duties were to ensure day to day tasks got done with the private fleet of vehicles. As well as making sure the shop was clean and organized. Occasional transportation of vehicles to different locations across the country.

**Assistant Marina Manager, Shore Lodge; McCall, ID | MAY. 2020- SEP. 2020**

I was responsible for the day to day operations of the marina and 6 employees. Making sure employees were where they were needed and the day's tasks ran smoothly at all times. I handled any conflict with guests and/or employees that came up. Every day was different and had to be ready to take on many different tasks from launching boats, to ordering enough oil for our two stroke Evinrude and much much more.

**Marina Attendant, Shore Lodge; McCall, ID | Summers 2018 & 2019**

I was apart of the marina team for two summers. This position was responsible for launching, mooring & parking boats, along with captaining boats when needed. This position was very busy at all time so you always had to be ready for whatever came your way.
